

Baptistry Window

This beautiful and unique Baptistry Window captures the multi-cultural richness and diversity of St. Michael's in the 21st Century, in strong contrast to the racism of the first half of the 20th Century.

This window is another version of *Christ Blessing the Little Children*.

Note the original 1901 Church at the top of the center panel.

Dedicated in 1956 to Rev. Canon George Wilson, at the inspiration of his wife, Susannah (we believe), after his death in October of 1955

Inscription on the Bottom:

*To the Glory of God and in loving memory of
Canon George Halford Wilson
Rector of this parish from March 1903 to Sept 1947*
