

SMM - 2nd Covid Survey

Returning to Church?

34 Respondents

Based on SMM's 2nd COVID Survey, presented to the congregation on Sunday 19 September, the Trustees draw two conclusions:

- 1. Until at least our next Survey, St Michaels Multicultural will continue to remain closed, excepting those who do not have access to Zoom (see page 2, with 80% of respondents in favor).*
- 2. Until at least our next Survey, for any events in the St Michaels Sanctuary, it is now Mandatory to present a Vaccine Passport (see page 3, with 90% of respondents in favor).*

After the Trustees meeting before St Michaels Day, would you prefer we open immediately, with Provincial & Diocesan Restrictions, or would you prefer we wait until after all Restrictions are lifted?

Re-Open?

special events or otherwise, will you support the Trustees in their insistence that anyone wanting to enter the Sanctuary will have to present the Provincial COVID Vaccination Passport?

Vaccine Passport?
